Dear Ms. Center:

I am writing to request an advisory opinion. Can the Natural Law Party of Kentucky register as an executive committee for the purposes of coming under the jurisdiction of the regulations of the Registry. The Natural Law Party of Kentucky formed a bank account in the name of the state party, and have been raising and spending money as a state party to promote the party. This state party bank account and our party fundraising and spending activities predated the forming of a slate for the governor's race and the subsequent establishment of a separate campaign fund.

Although the state does not officially recognize our organization as a political party at this time, we are requesting to be considered an executive committee for the purposes of finance regulations and reporting.

Thank you.

Sincerely,

Maggie Sparks, M.D.
